FEATURING
PRIMEFIT^{XP}
EXTREME PERFORMANCE SERIES

PRIMEFIT and its affiliated companies are one of the leading global manufacturers of Pneumatic Tools, Air Accessories and Air Hoses for over 48 years. We produce a broad range of industry-leading products serving the Consumer, Automotive, Commercial and Jobsite pneumatic markets.

Engineered for the Most Extreme Applications

Primefit is now offering various products under the **PRIMEFIT XP (Extreme Performance)** Line. These products feature upgraded designs built to last in the most extreme Jobsite, Commercial and Professional applications.

Extreme Performance (XP) AIR HOSE

PRIMEFIT offers **PREMIUM RUBBER PUSH-LOCK** style air hose, specially designed for use with standard Push-Lock Style air fittings for easy field repair and maintenance.

Premium Extreme Performance (XP) Push-Lock Air Hose

Product No.	Description	PSI	Hose ID	Material	Coupler Size
NPL14050C	1/4" x 50 ft. Push-Lock with Coupler & Plug	250	1/4"	Premium Rubber	1/4"
NPL14100C	1/4" x 100 ft. Push-Lock with Coupler & Plug	250	1/4"	Premium Rubber	1/4"
NPL38050C	3/8" x 50 ft. Push-Lock with Coupler & Plug	250	3/8"	Premium Rubber	1/4"
NPL38100C	3/8" x 100 ft. Push-Lock with Coupler & Plug	250	3/8"	Premium Rubber	1/4"
NPL3805038C	3/8" x 50 ft. Push-Lock with Coupler & Plug	250	3/8"	Premium Rubber	3/8"
NPL3810038C	3/8" x 100 ft. Push-Lock with Coupler & Plug	250	3/8"	Premium Rubber	3/8"

Other sizes and configurations available on request for all hose.

Air Fittings Made in China

PRIMEFIT offers its **EXCLUSIVE PRIMEFLEX Premium Hybrid Polymer Air Hose**, featuring ultimate flexibility and memory resistance even in extreme temperatures. This unique material offers the best combination of strength and flexibility on the market.

PRIMEFLEX Premium Hybrid Polymer Air Hose

Product No.	Description	PSI	NPT Size	Hose ID	Material	Color
HYP140502C-R	1/4" x 50 ft. with field repairable Hose Ends. Includes Coupler and Plug.	300	1/4"	1/4"	Hybrid (Rubber/PVC)	Red
HYP141002C-R	1/4" x 100 ft. with field repairable Hose Ends. Includes Coupler and Plug.	300	1/4"	1/4"	Hybrid (Rubber/PVC)	Red
HYP38003	3/8" x 3 ft. Leader Hose	300	1/4"	3/8"	Hybrid (Rubber/PVC)	Grey

High Flow Style (V) COUPLERS and PLUGS

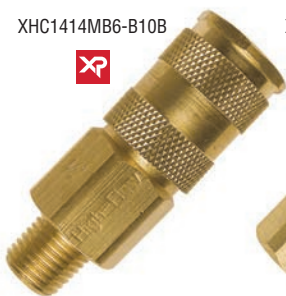

PRIMEFIT's **HIGH FLOW** Couplers and Plugs offer over 50% higher airflow than standard 1/4" body quick-connect fittings. Ideal for use with HVLP spray guns and other tools to maximize tool performance. Unlike other brands that use aluminum construction, Primefit uses steel construction for our high flow couplers and plugs for significantly longer life.

PUSH-TO-CONNECT Air Systems

PRIMEFIT's **PUSH-TO-CONNECT** Air Fittings program offers an easy to install fixed 1/2" air tubing system. This system maximizes airflow using 1/2" outside (3/8" inside diameter) TPEE tubing, and easy to connect and disconnect construction fittings. This program is ideal for garages and workshops where air needs to be permanently routed to various locations and drop points.

Push-To-Connect Air Fittings
